COLLABORATION

The image features a complex, abstract wireframe structure composed of numerous interconnected lines forming a mesh of irregular polygons. This structure is rendered in a light gray color and is set against a white background. A solid blue horizontal bar spans the bottom portion of the image, partially overlapping the wireframe. The text 'Class Description' is written in white, sans-serif font on the left side of this blue bar.

# Class Description

# Class Description

This class will show how you can share AutoCAD Plant 3D software with BIM 360 Team and Fusion Team (formerly A360 Team) to collaborate within your company or with your customer. We'll show how to bring your AutoCAD Plant 3D project into the cloud and how to work with the project through BIM 360 Team and Fusion Team.

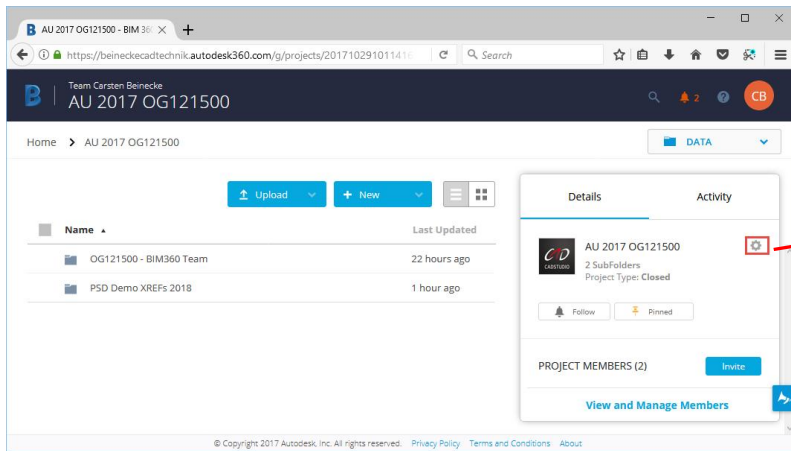

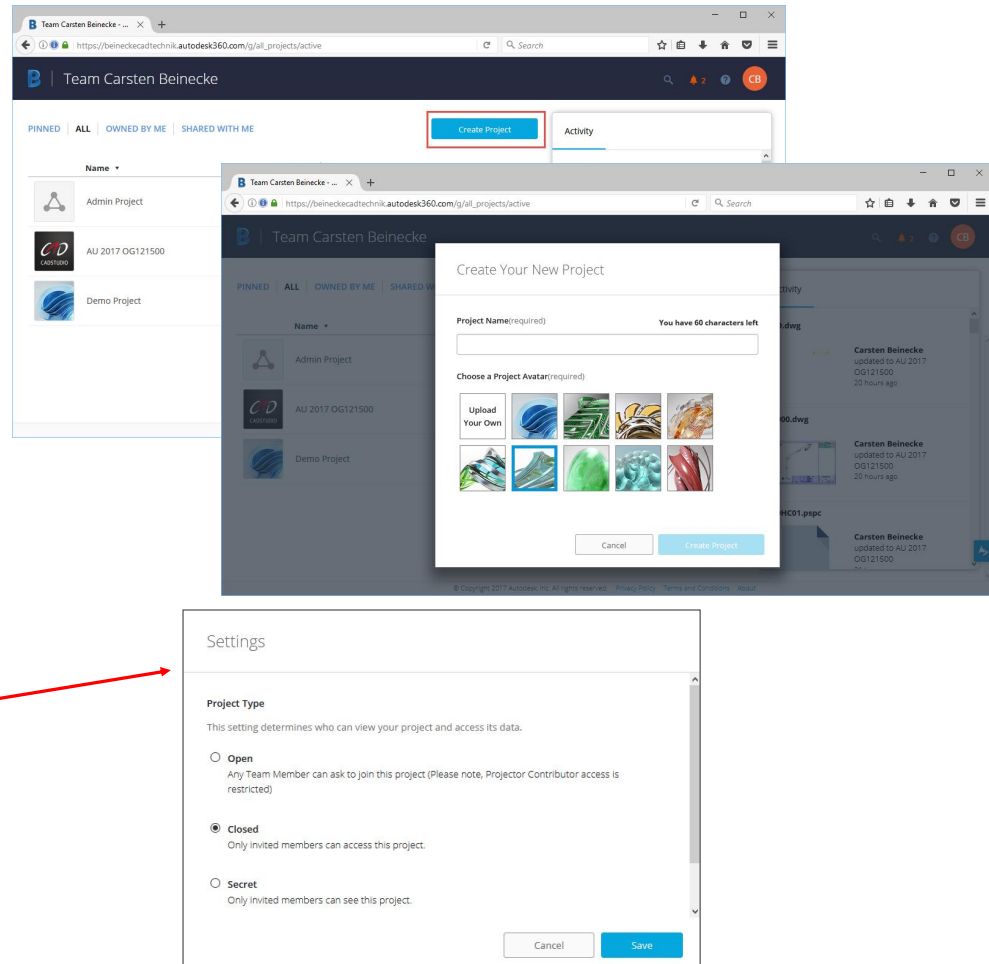

# Class Content

# Class Content

- § Create a BIM 360 Project
- § Invite Team members
- § Upload your AutoCAD Plant 3D 2018 project
- § Start working
- § Limitations
- § Live Demo

# Create a BIM 360 Project

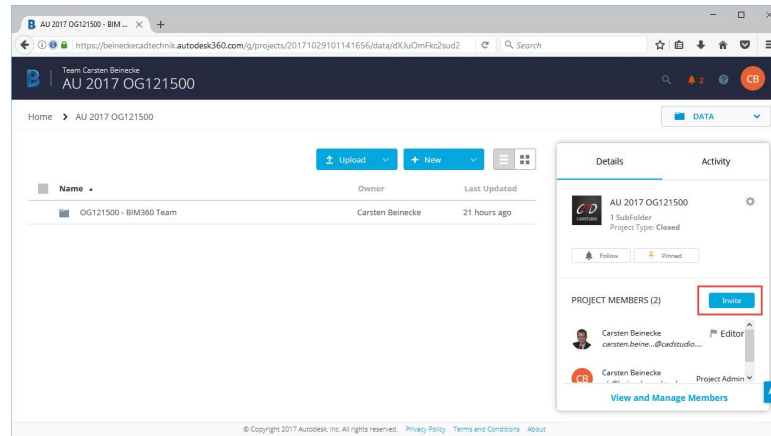

- § Access your BIM 360 Team Hub
- § Create a BIM 360 Team project
- § Project Settings

# Invite Team members

§ Invite Team members

§ Assign Role
