COBie Implementation Case Study: Broward County Judicial Center

A journey into the real world of COBie delivery.

The Broward County Judicial Center in Ft. Lauderdale, Florida, is a successful example of a commercial BIM remodeling project, delivering COBie both during the Design Phase at LOD 300, and at the end of Construction for LOD 500 as-builts.

You will learn about what were the challenges, solutions and opportunities, and takeaways for your next project.

At the end of this class, you will be able to:

- Take a journey into the real world of COBie delivery
- Learn about a successful example of a BIM remodeling project
- Compare COBie delivery for LOD 300 and LOD 500
- Understand challenges, solutions and opportunities

Be heard!

Provide AU session feedback

- Via the Survey Stations, email or mobile device.
