

Jason Boehning AU 2017 Exercise Files

Feel free to use these exercise files to better understand Dynamo. Do not use the Dynamo scripts on an active project. Once you fully understand the outcome of the script, you can modify it as needed and use it as needed.

Exercise files on A360:

MEP Analytics: <http://autode.sk/2z61jld>

Dynamo DesignScript: <http://autode.sk/2z6r6je>

Increasing Parametric-ness: <http://autode.sk/2hsR8SO>
