

Autodesk's Cloud and Mobile API and Technologies: Meet the Experts

Cyrille Fauvel, Jim Awe, Albert Szilvasy, Tom Winter, Roei Oved,
Kean Walmsley, Ilai Rotbaein, Shawn Gilmour
Autodesk

Class summary

Address your programming questions to our panel of hardcore cloud and mobile experts from our software development teams. If you're writing Solutions that are based on these technologies or you're just about to start and want to know more, this is the perfect forum to both get to know the people who create the APIs and services you work with and meet your fellow programmers who use those APIs. Come and ask questions, add your expertise to the discussion, or just listen and learn.

Key learning objectives

At the end of this class, you will be able to:

- Get to know your fellow cloud and mobile programmers and members of the Cloud and Mobile Engineering Team
- Learn how to integrate Autodesk software's cloud and mobile technology into your own product (desktop or cloud and mobile)
- Identify new opportunities for your business and develop your own Cloud and Mobile Solutions
- Get the answers to those cloud and mobile programming questions that have been bugging you for so long
