The Future of Vault

Looking into the Crystal Ball

Younes Yammouri
Sr. Product Manager

Autodesk
SAFE HARBOR

We may make statements regarding planned or future development efforts for our existing or new products and services. These statements are not intended to be a promise or guarantee of future availability of products, services or features but merely reflect our current plans and based on factors currently known to us. These planned and future development efforts may change without notice. **Purchasing decisions should not be made based upon reliance on these statements.**

These statements are being made as of 11-18-2019 and we assume no obligation to update these forward-looking statements to reflect events that occur or circumstances that exist or change after the date on which they were made. If this presentation is reviewed after 11-18-2019, these statements may no longer contain current or accurate information.
Agenda

▪ What is Vault Footprint today and the industry we serve?

▪ What are the area we are investing in?
