

Roundtable: Additive Manufacturing in the Real World

Janna Spicer

Product Manager, Product Design Suite

Introductions

- Janna Spicer
Product Manager
Product Design Suite
- BS Electrical Engineering
 - MS Management in Science & Technology
 - 15+ years Industry Experience

- Colin Smith
Product Manager
Fusion 360
- 18 years Industry Experience

Suggested Topics for Discussion

- Are you using 3D printing in your manufacturing process today?
- What does it take to print your part right, the first time?
- What is required for a smooth transition from rapid prototyping to tooling or final production using additive manufacturing?
- What are the challenges associated with designing for additive manufacturing?
- Are you light weighting your designs today? How?
- What challenges are you facing in using 3D printers?
Services?

Session Feedback

- Via the Survey Stations, email or mobile device
- AU 2014 passes given out each day!
- Best to do it right after the session
- Instructors see results in real-time

Students, educators, and schools now have

FREE access to Autodesk design software & apps.
